

The law firm phone system that works as hard as you do.

Ooma business phone service helps legal professionals stay connected, maintaining professional client experiences from anywhere. Make and receive calls from a home office, clients' offices, courtrooms, or on-the-go. Your staff members – from receptionist / admin / paralegals to partners – can stay connected and responsive. See how your firm can save money and optimize productivity by modernizing to a VoIP phone system.

Ooma Office, the #1 rated business phone service, is built for today's busy law practices.

Advanced Features Include:

- ✓ **24x7 Virtual Receptionist**
Greet and route callers to the right team members, answer common questions like office locations and operating hours.
- ✓ **Mobile App**
Differentiate between business and personal calls. Send and receive text messages, join videoconferences, fax online and more.
- ✓ **Audio and Videoconferencing**
Meet virtually with anyone at anytime; increase successful outcomes using videoconferencing as mock courtrooms.
- ✓ **Multi Ring / Call Flip**
Have your business phone number ring mobile app or external devices. Instantly switch an active call from a desk phone to a mobile phone without impacting the conversation.
- ✓ **Integrate with Clio**
Caller-ID Pops enable attorneys and staff to access client profiles and manage details during phone conversations. When an attorney connects with a client that has a matching record within the Clio CRM application, a Caller-ID Pop appears on the Ooma desktop that shows detailed client information.
- ✓ **Call Recording**
Record calls automatically or on-demand to verify billing and confirm conversation details.

Bay Oak Law

“ I would recommend Ooma Office to anyone who is interested in an economical phone package, without the fixed contracts and switches, and with the ability to take their office phone wherever they go. ”

Armstrong & Munoz Immigration Attorneys

“ We switched to Ooma Office because it provided an integrated telecommunication platform with intuitive user features, high call quality, and good customer service. Initial setup was very easy. Follow a few instructions, log in to the portal, and boom! Done! We've saved \$1,200 since switching to Ooma Office. ”

– **Robert**
